

Addition to 7 Worksheets

Name _____

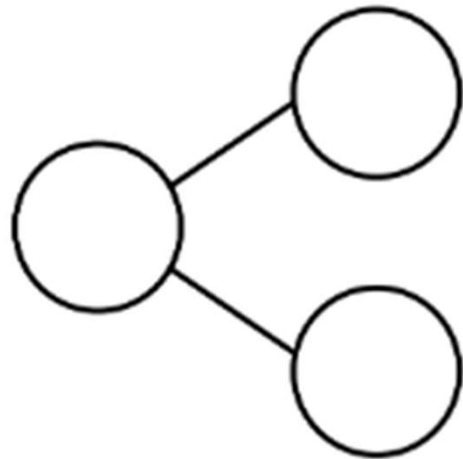

Date _____

There are 7 bears. 3 bears have bowties. 4 bears have hearts. Fill in the number sentences and the number bond.

$$\square = \square + \square$$

$$\square + \square = \square$$

5 bears have scarves on, and 2 do not. There are 7 bears. Write a number sentence that tells about the bears.

$$\square = \square + \square$$

Addition to 7 Worksheets

Name _____

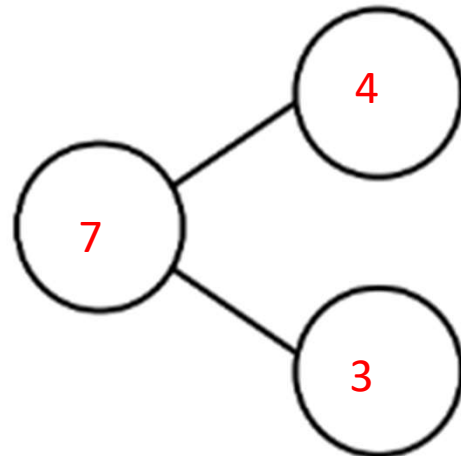

Date _____

There are 7 bears. 3 bears have bowties. 4 bears have hearts. Fill in the number sentences and the number bond.

$$\boxed{7} = \boxed{4} + \boxed{3}$$

$$\boxed{4} + \boxed{3} = \boxed{7}$$

5 bears have scarves on, and 2 do not. There are 7 bears. Write a number sentence that tells about the bears.

$$\boxed{7} = \boxed{5} + \boxed{2}$$
