Make 100 Addition Strategy

Add by drawing a number bond to make a hundred.
Write the simplified equation and solve

540 + 280

_____ = _____

380 + 430

_____ = _____

99 + 141

_____ = _____

75 + 299

_____ = _____

795 + 156

_____ = _____

Make 100 Addition Strategy

Add by drawing a number bond to make a hundred.
Write the simplified equation and solve

540 + 280

520 + 300 = 820

380 + 430

400 + 410 = 810

99 + 141

100 + 140 = 240

75 + 299

74 + 300 = 374

795 + 156

800 + 151 = 951
